Career Objective

A dedicated Computer Science student at the University of Derby, currently seeking a work placement to apply technical skills and acquire new knowledge. Committed to achieving excellence and continuously improving skills, I am a hardworking student proficient in problem-solving, decision-making, and time management, with a strong background in mathematics and experience in mentoring. Demonstrated ability to excel in a high-pressure work environment, emphasising teamwork and adaptability. Skilled in many modern technologies, with a willingness to learn and a passion for technology.

Skills

Programming Languages And Technologies:

- Python (Advanced) — C++ (Intermediate) — HTML (Intermediate) — VBA (Intermediate) — JavaScript (Beginner) — CSS (Beginner) — Microsoft Access (Advanced) — Unreal Engine (Intermediate).

Skills:

- Self-Motivated, Hard Working, Time-Management, Ability to Accept Feedback, Adaptability, Problem-Solving, Team-Work, Patience, Strong Willingness to Learn, Critical Thinking, English Fluent, Arabic Fluent.

Education

University of Derby

Expected Graduating Date: 2026

BSc Computer Science.

Average: 91.5/100

- **First Year Modules:** Computational Mathematics (96), Foundations of Computer and IT Systems (89), Fundamentals of Networks and Security (89), Programming (97), Computer Systems, Data Structures, and Data Management (92), Games Technologies (86).

Landau Forte College

2021-2023

A-levels: Mathematics (A), Further Mathematics (B), and Computer Science (B).

- **Volunteering:** My experience as a Mathematics mentor to a Year 8 pupil has been thought-provoking. It has allowed me to share my enthusiasm for mathematics and inspire others to engage more deeply with the subject. My confidence, leadership, and communication skills improved massively as I had to adapt patiently to the students' needs.

Littleover Community School

2019-2021

GCSEs (A-C): Mathematics, English Language and Literature, Geography, Combined Science, DT, and Arabic.*

- **Including A* in:** Mathematics, Combined Science, and Arabic.

Experience

Morrisons Flowerworld

Temporary

Warehouse Operative

- Excelled in a high-pressure environment, honing teamwork and time management skills while meeting strict deadlines. Efficiently handled box transportation and product packaging. Contributed to the production line by adeptly cleaning thorns from flowers and preparing beautiful bouquets. As various team members managed distinct aspects of the production line, I understood the significance of efficiently executing my responsibilities to maintain the flow of the entire process.

Universal Accountants

One-week internship

Assistant Accountant

- Gained practical experience in a professional accounting office environment, where I expanded my skill set into a new field. Assisted with various accounting tasks, such as working on payroll software to manage organisations' employees' payrolls and calculating taxes for companies. Operated as a receptionist, responsible for efficiently managing the company's main call line by directing queries to the most suitable colleagues.
